Year 11 Trial Examination Preparation Evening - Online

Dear Parents/Carers,

We are delighted to invite you to the Year 11 Trial Examination Preparation Evening on **Thursday 27th October at 6pm**, online via Microsoft Teams. We are aware that we have already held two in-person events (Aspiration and Parents' Evening) relatively recently and know that not all parents can make in-person events. We have therefore taken the decision to hold this event online.

We believe this is a worthwhile and important opportunity to further enhance our parent/carer relationship in order to maximise our support for your child. We will be building upon the advice and guidance provided during our Aspiration Evening in October. In this session we will briefly recap the advice and guidance on organisation, time management and revision strategies but there will also be a specific focus on how to effectively use past paper exam questions. We will also be highlighting the wellbeing support that we offer as a school to your child as well as useful tips and signposting external agencies on how to best support your child in preparation for assessments and examinations.

We will email all parents/carers a Teams link to the event on Wednesday 26th October by 4pm.

The presentation will be about 20 minutes long with an opportunity for online questions and answers afterwards. We look forward to your online attendance to the event.

Best wishes,

Humphrey Perkins School
