Dear Parent/Carer

Throughout the first year at Humphrey Perkins School, we have been so proud of all of our students. They have shown the best of themselves and have become an integral part of the continued success of Humphrey Perkins.

Students have been exposed to a wide range of holistic opportunities, which are aimed at encouraging students to gain life skills and develop in key areas as they progress through Humphrey Perkins and beyond. As part of this, students have been working towards completing the Discovery 7 programme and many of you have been called upon to sign your child's passport to help them to complete them.

Due to our students' hard work and dedication we would like to invite you to Humphrey Perkins to celebrate your child's success and hard work at a celebration Graduation Ceremony. We are very much looking forward to welcoming you to our lovely school and being there to celebrate your child's achievement.

If your child is **in 7PW, 7AM or 7SG**, then the Graduation Ceremony will take place on the 13th July 2023 and will begin at 1:10pm. There will be refreshments available beforehand, and we invite up to two parents/carers to come and celebrate with us. Please book your place via this link:
