January 2024

Dear Parent

## Racing to School

I am writing to inform you of an upcoming school trip, that your child will be involved in.

The students will be travelling to Leicester Racecourse in Oadby on **Wednesday 31<sup>st</sup> January 2024**, where they will be participating in a variety of practical Maths challenges relating to horse racing. There will be four themed activities throughout the day with a chance to view the horses and possibly some races. Please note this is a working racecourse so if your child has an allergy to horses then please make sure they have taken the appropriate medication.

The event is free and transport costs have been covered. We will be leaving school straight after registration and will return to school at **approximately 3:30pm**. Please make safe arrangements for your child to get home safely once they arrive back at school.

Students will need to be in full school uniform with suitable footwear and a coat for the outside activities. A change of footwear is recommended due to the terrain on and around the racecourse at this time of year. They will also need to bring something to write with.

Students will need to bring a packed lunch. This will be provided if your child receives free school meals.

This trip is an opportunity to give our students the chance to experience something unique and give them an insight into how Maths is used in 'real life'.

Research and appropriate measures have been taken to ensure that all realistic safety precautions are in place for all trips and visits. Parents or the school reserve the right to withdraw children from a trip or visit.

Please return the reply slip to the Admin office by **Monday 22<sup>nd</sup> January 2024**

Yours sincerely

Mrs J Merry  
Trip organiser
