Dear Parents / Carers

Year 11 GCSE Geography Field Trip to Birmingham

The Geography department is arranging the above trip to Birmingham on **Wednesday 22nd March 2023**.

As part of your child's Geography GCSE, we have been studying urban inequalities and sustainability. This trip will be useful because it will allow students to undertake relevant fieldwork and research which they will be examined on in the GCSE exam paper.

We will leave school at **8.45am** and travel to Birmingham by coach. Students are to wear full, smart school uniform and a sensible coat for this trip, in case of inclement weather, as we will be working outside all day and walking to different locations around the city.

Students will also need a packed lunch and a drink (this will be provided for students who receive a free school meal) and equipment needed to complete their research (pen, pencil, clipboard if possible).

We intend to be back at school by **4.00pm**, traffic permitting.

We ask for a contribution of **£14.00** to cover the cost of the transport and insurance, payable using the online payment facility to secure your child's place on the trip by **Wednesday 15th March 2023**.

Please contact your son/daughter's class teacher **as soon as possible**, should you have any problems making the payment by the given deadline. The school will cover the cost of the trip for Pupil Premium students. Please complete and return the attached reply slip.

Students know we expect high standards of behaviour from them at all times. The school behaviour code for in and out of lessons applies at all times. We would ask you to reinforce this message.

Research and appropriate measures have been taken to ensure that all realistic safety precautions are in place for all trips and visits. Parents or school reserve the right to withdraw children from a trip or visit. Where payments have been made, we cannot guarantee refunds will be given.

Yours faithfully

Mrs R Cole
Trip Leader
