11 May 2023

Dear Parents and Carers,

As you are aware, Year 11 is drawing to a close and staff and students are working hard to ensure that all students achieve the best results of which they are capable.

May we take the opportunity to remind you of the opportunities we have available to support our students:

- . A daily lunchtime room for private study and revision.
- . Bespoke revision sessions prior to the exams.
- . Daily after school intervention sessions to offer additional support and revision: please ensure that your son/daughter continues to attend these.
- . On the morning of each exam, there will be a breakfast provided for students as well as access to subject specialists for last minute revision and support.
- . Specialised wellbeing support. Please contact us if you would like your child to receive additional support.

We would also like to confirm arrangements for the last day of school for Year 11. This will take place on June 16th; students who do not study Geography will leave school after their Physics exam in the morning, Geography students will leave at 2.45pm.

Our Year 11 will have a final assembly on the afternoon of Thursday 15th June which will be their opportunity to say their goodbyes and get shirts signed. Obviously due to exam regulations no shirts can be signed and worn during exams.

Once the examinations have finished, we look forward to celebrating at the Prom on June 30th. As ever, please do not hesitate to contact us if you have any queries or require additional support for your child.

Yours sincerely,

*D. J. Bartram*

Mrs D Bartram  
Associate Principal
