RE: Consultation on timings of the school day

Dear Parents and Carers,

Thank you for your responses to the consultation about the changes to the school day at Humphrey Perkins. We have received a large number of responses and they have all been really useful in the decision-making process.

What is clear from the responses is that we cannot extend the end time of the school day for a variety of reasons; so for the academic year 2024 - 2025 the school day will remain the same. The responses both for and against the changes were carefully considered and thanks to the quality of the feedback we were able to make a robust decision. We will continue to review the timings of the school day moving forward and in line with Department for Education guidance.

School Day 2024 - 2025	
8.25	Line ups
8.30 - 8.45	Tutor Time
8.45 - 9.35	Period 1
9.35 - 10.25	Period 2
10.25 - 10.45	Break
10.45 - 11.35	Period 3
11.35 - 12.25	Period 4
12.25 - 1.05	Lunch
1.05 - 1.55	Period 5
1.55 - 2.45	Period 6

One of the primary considerations has had to be how our young people travel to and from school and with many using a train service which has timings outside of our control, we have had to keep the timings the same to enable them to access their educational provision on time and safely.

The feedback around lunchtime has also been considered and we continue to work hard on improving and refining our queueing systems and service so that all pupils have sufficient time to purchase and eat their lunch.

We would like to take this opportunity to thank parents and carers for their support and feedback.

With kind regards,

Mrs L Sanchez
Executive Principal

Mrs D Bartram
Associate Principal
