

15 May 2025

Dear Parents and Carers,

## **Lionheart Teaching and Learning Conference: Monday 23<sup>rd</sup> June 2025**

We are writing to inform you about an important additional training opportunity for all secondary teachers across the Lionheart Educational Trust, scheduled for **Monday, 23<sup>rd</sup> June 2025**.

This training is a vital opportunity to ensure all leaders and subject teachers can meet across the trust to develop shared curriculum plans, explore innovative approaches to teaching and learning, and work collaboratively to improve programmes of learning.

In some subjects, this will include planning for new GCSE and A' level specifications.

On this day, all pupils will be taught on-site as usual during the morning session. For the afternoon session, pupils will be set online learning activities. These activities will be accessible through the Lionheart Virtual Learning Environment, and teachers will monitor pupils' participation to ensure engagement and progress.

To accommodate this schedule, buses will be booked to arrive at school earlier than usual, allowing learners to use their regular transport arrangements.

**The buses will collect students at 12.25pm.** Food will be available to purchase at breaktime and available for our Free School Meals students.

### **Online learning**

All students in years 7-10, will be set online learning activities in core subjects:

- **Mathematics**

Please can all learners complete at least four goals from your current target course on Complete Maths TUTOR.

- **English and Science**

Please see the grid below for links for online learning in English and Science for Year 7-10 when on-site learning will finish at 12.25pm for each year group.
