Year 11 Event: The Big Revise – Thursday 16th October 2025 – 3pm to 5pm

Dear Parent/Carer,

I am writing to give you information about our 'Big Revise' event for Year 11. This event has been hugely successful and well received by previous Year 11 students at Humphrey Perkins and across the Lionheart Trust. We are using this event to launch our Year 11 Revision Preparation at Humphrey Perkins.

On the day, there will be a whole year group revision event to help focus and motivate students before their Trial Exams in November as well as their summer exams. Student feedback after the recent Trial 0 assessments has been they would like more guidance and advice on how to revise and planning their revision. The Big Revise will begin with a whole Year 11 assembly in the hall at the end of the day. Students will then attend two sessions where they will be shown how to plan for effective revision and manage their time effectively using a revision plan.

In between the two sessions, there will be a short 15-minute break where free pizza and juice will be provided for all students. There will be a late bus running to central drop-off points on the normal bus route (see end of letter) at the end of the second session so all students who get the school buses home will be able to attend (this includes mini-bus students). As a school, it is our expectation that all students will attend. If there is a transport issue for any reason as to why your son/daughter would not be able to attend – please can you call to inform the school office team and if there is a need to put on a second late bus, then we will do so.

This is a fantastic opportunity to motivate and support the whole year group. At Humphrey Perkins, we want all of our students to work hard and aim high. The Big Revise is a great chance for our students to benefit from targeted revision advice with a renewed focus and motivation for their trial and summer exams.

Thank you for your ongoing support and continued partnership in ensuring your child maximises their outcomes in Year 11 and beyond.

Best wishes,

Rikki Khakhar – Vice Principal
