Each of you is unique, and we celebrate that. Our focus is on community, development, and learning, helping you grow into a proud and respectful individual.

We have high expectations because we believe in your potential. Our students excel academically and grow as individuals, learning to value themselves and their community.

What do you think these values might look like in action?

What things do you think you should bring to school each day?

Poetry

At Humphrey Perkins School we believe in learning poetry by heart. Poetry is wonderful because it broadens our horizons, teaches us about life and can turn words into emotions. And when you learn poetry off by heart it becomes a part of you. Below is a poem about resilience. Resilience is the ability to recover from something difficult and keep going. We would like you to spend some time learning this poem off by heart before you start at Humphrey Perkins School. When you join us, we will say it together.

OZYMANDIAS BY PERCY BYSSHE SHELLEY

I met a traveller from an antique land,
Who said—"Two vast and trunkless legs of stone
Stand in the desert. . . . Near them, on the sand,
Half sunk a shattered visage lies, whose frown,
And wrinkled lip, and sneer of cold command,
Tell that its sculptor well those passions read
Which yet survive, stamped on these lifeless things,
The hand that mocked them, and the heart that fed;
And on the pedestal, these words appear:
My name is Ozymandias, King of Kings;
Look on my Works, ye Mighty, and despair!
Nothing beside remains. Round the decay
Of that colossal Wreck, boundless and bare
The lone and level sands stretch far away."

Moving up

Here are a few activities that you can complete to help you get ready to start secondary school.

- Visit the school website and have a browse to find out as much useful information as possible. You can find the website on **(www.humphreyperkins.org.uk)**
- Practice packing all the things you will need to take to your new school. Get in the habit of packing the night before.
- Plan the route to your new school and have a few trial runs when it's safe to do so.
- Have a look at the school map and familiarise yourself with the layout ready for your first day
- Get in the habit of going to bed early and getting up early in time to eat breakfast.
- Leave plenty of time to find out about your school uniform and order it. Make yourself aware of school policies on things like jewellery, piercings and mobile phones.
- Take some time to learn the names and faces of important people like the headteacher, your head of year, and your tutor. This way, you'll know exactly who to look for if you need assistance or guidance.

Making new friends

You will meet lots of new people at your new school. It's normal to feel excited, nervous or a mixture of both; here are some ideas that might help:

Get involved

Spend time with others at lunch and break times. Joining a club is a great way to meet new people.

Get to know your friends' friends.

You can meet up in the canteen, on the walk home or you could ask your friend to introduce you to them.

Take the first step

Say 'Hi' or ask how someone's day has been. Giving someone a compliment is a good way to start a conversation.

Be a good supporter

Help people where you can. Just offering a smile or saying 'Hi' could help someone to feel better.

Positive friendships

Real friends encourage you to be the best that you can be. Think about the qualities you would look for in a good friend and what might warn you that a friendship was unhelpful.

Write them in the boxes below.

Positive friendship

- Respects my opinions
- Listens to me
