

23 April 2020

Dear Parent/Carer,

We hope this letter finds you and your loved ones safe and well during these trying times.

Amidst this uncertainty, we are delighted to share some positive news and officially announce that following a recent Ofsted Inspection, Humphrey Perkins is now rated 'Good'.

The recent ranking is two grades higher than our previous inspection. This fantastic result, in such a short space of time, is a credit to our incredible students, staff, parents and wider Humphrey Perkins community, who continue to strengthen and encourage us as we progress.

We're particularly proud that the report highlighted our students' drive and determination to do and achieve well, with the support of our "ambitious curriculum" and passionate teachers. It noted our dedication to the 4 R's in developing active citizens of tomorrow and that students are well-equipped to "develop the skills to be successful in life"; a belief that is not only at the core of everything we do, but also a pledge to our students and future citizens of the world that we will strive to fulfil.

We're also pleased by the recognition that those in our wonderful community have "grown in confidence" with us, in an odd time where supporting one another has never been more paramount.

While celebrating this progress, as part of the Lionheart Academies Trust, we relentlessly strive for betterment and excellence and know that we can always do more. We're excited for you to join us on our journey to 'Outstanding'.

From our very proud Humphrey Perkins family to yours, we wish you safe and well at this time.

Yours sincerely

Mrs J Piper-Gale
Executive Principal

Mrs D Bartram
Associate Principal
