Dear Parents and Carers,

RE: Keeping you informed with your child's learning- Y8/Y9

We hope that this letter finds you well and your child has made a positive start to the term.

Lionheart schools are committed to working in partnership with you and we know that forging the strongest relationship with our families will support your child to thrive and progress throughout their education.

You will have recently received a Knowledge Organiser booklet that outlines the key knowledge that your child will be taught across the range of their subjects in the Autumn term. Please read this with your child; teachers will be referring to this key knowledge throughout this term and will be assessing your child's understanding with short quizzes and tests. The best way for your child to remember is to regularly revisit this knowledge and test themselves to remember and learn.

We write today with an overview of important checkpoints that we will send to you to keep you updated in relation to your child's progress throughout this academic year.

This range of 'snapshots' will supplement a parent/carer evening for your child with an opportunity to meet teachers face to face, and review your child's learning.

Assessment Checkpoints

When	What
Week commencing: Oct 10	Lionheart Core Knowledge Check: English, maths and science Provide you with a standardised score following on from a recent knowledge test and individual next steps + 4 descriptors for next steps.
Week commencing: Nov 21	Data snapshot: subject by subject assessment, attendance, times late, reward points and behaviour points current grade, most likely grade and target grade
