Dear Parent/Carer,

On Friday 31st January 2025 we will be welcoming 'Narrative Alchemy' into school who are an educational theatre company who visit schools to educate students on key PSHE topics through impactful performances. In light of children's mental health week next week, our students in Years 8,9 and 10 will be watching a performance linking to stories of resilience, overcoming adversity and mental health themes.

Each performance will last for 50 minutes with a Q&A session to follow.

Students will be accompanied by teaching staff and members of our DSL team (Designated Safeguarding Lead) in each performance should they need to speak with a member of staff. Students and staff are aware of our DSL team within school and know who they are able to speak with or contact and how.

We would like to take the opportunity to thank you for your support and remind you of our DSL contact email should you or your child have any concerns that arise from the performance.
