Performing Arts Trip to the Curve Theatre – 10th December 2026

We are delighted to offer students the opportunity to attend a special Theatre Morning at the Curve Theatre based around the production of 'Charlie and the Chocolate Factory'.

During the visit, students will have the opportunity to learn more about the creation of the production through demonstrations and discussions with members of the creative and production teams. They will gain exclusive insight into the rehearsal and technical processes involved in bringing a large-scale musical to the stage and discover how the actors, creatives and production team worked together to create this exciting show.

This is a fantastic opportunity for all students with an interest in the Performing Arts and is particularly beneficial for those considering studying Performing Arts at Key Stage 4, as well as current Year 10 students who are already studying Performing Arts. The event will provide valuable insight into the collaborative nature of theatre production and the wide range of creative and technical careers available within the industry.
