November 2023

Dear Parent / Carer

We have been invited to attend a trip to the University of Leicester on **Thursday 7th December 2023**, as part of a More Able project we have been involved in called the Social Justice Blue Plaque scheme. This project, organised by the University of Leicester Humanities Department, aimed to review the existing heritage Blue Plaques in Leicester and then consider who should be memorialised for their contribution to social justice in the city of Leicester.

The trip promises to be an aspirational opportunity for students to work with experts in their field. Students will firstly attend a welcome talk, explaining the results of the Social Justice Blue Plaque scheme. They will then enjoy a campus tour, followed by a lecture with Professor George Lewis. In the afternoon, they will take part in a Historical Research Workshop.

The trip will leave school at **9.00am** and return in time for the normal school buses home. As the students will be representing the school we expect the usual high standards of behaviour and the correct full smart school uniform.

The cost of the trip has been fully funded by the school. Students will need to bring a packed lunch and drinks, which must be nut free due to nut allergies. Students who receive a free school meal will have a packed lunch provided for them.

Please note that the running of this trip is dependent on enough students wishing to attend.

Research and appropriate measures have been taken to ensure that all realistic safety precautions are in place for all trips and visits. Parents or the school reserve the right to withdraw children from a trip or visit.

If you have any further questions, please do not hesitate to contact me.

Yours faithfully

Miss Kate Hopkinson

Head of Humanities
SLT Team Leader and Trip Leader
