01 July 2026

Dear Parents and Carers,

As part of our commitment to promoting healthy, active lifestyles and celebrating participation in sport, we are delighted to be taking part in **National School Sports Week** during the week commencing **Monday 6th July 2026**.

Throughout the week, students will have the opportunity to celebrate the positive impact that sport and physical activity can have on their physical health, mental wellbeing, teamwork and resilience. We have several exciting events planned and would like to make you aware of the arrangements for two key days.

## Trust-Wide Come in a Sports Kit Day – Monday 6th July 2026

To mark the start of National School Sports Week, all schools across the Trust will be taking part in a sports kit day. Students are invited to attend school wearing either: the sports kit of a team or club they play for; or the shirt or clothing of a sports team they support or their usual PE kit. Please note that anything worn must be appropriate for school and adhere to our high standards.

Members of staff will also be taking part and are encouraged to wear sporting attire to help celebrate the occasion.

All clothing should remain appropriate for a school environment and students should ensure that their chosen clothing allows them to participate safely in normal lessons throughout the day.

## Sports Day – Thursday 9th July 2026

Our annual Sports Day will take place on Thursday 9 July 2026. Students should attend school at the normal start time, wear their full Humphrey Perkins PE kit, and wear appropriate footwear suitable for sporting activities and outdoor conditions.

As the weather is expected to be warm, we strongly recommend that students come prepared by bringing, a refillable water bottle and additional drinks if desired, sun cream applied before arriving at school with additional sun cream available for reapplication if necessary, and a hat or cap for protection from the sun.

Students will be participating in a variety of athletic and sporting activities throughout the day and being suitably prepared will help ensure they remain comfortable, safe and able to fully enjoy the event.

Sports Day is always a highlight of the school calendar and provides an excellent opportunity for students to demonstrate determination, teamwork, sportsmanship and school pride. We encourage all students to participate wholeheartedly and support their peers throughout the day.

Thank you for your continued support. We look forward to celebrating National School Sports Week with our students and hope it will be an enjoyable and memorable experience for all involved.

Yours faithfully,

Mr Bromley and the PE Department
