17th April 2026

Dear Parent/Carer

Year 9 and 10 End of Term Trips

We would like to end the school year with something special for students in Year 9 and 10 and are planning our end of year trips on Tuesday 7th July 2026. We have chosen to widen our trips offer as we know that a theme park is not to everyone's liking. Following student voice earlier this year, we have chosen a variety of trips for students to choose from.

This year students have the choice of 4 venues:

Showcase Cinema and a 2-course meal at Frankie and Benny's - £30

We will be attending and watching a film at Showcase cinema in Leicester followed by a 2-course meal at Frankie and Benny's. A menu choice will be available for students to choose prior to the day. It is likely that the film we will be watching is 'Supergirl: Woman of Tomorrow'. We will have a single occupancy screening and student popcorn, and a drink will be included in the price. We will arrive in Leicester by coach and be collected by coach to be taken back to school at the end of the day.

East Street Lanes – bowling, crazy golf, arcades and pizza - £40

East Street Lanes have set us up with a very exciting day of bowling, crazy golf, arcade sessions and pizza all within their venue. We will arrive in Leicester by coach and be collected by coach to be taken back to school at the end of the day.

Megazone – Laser quest and pizza - £25

Megazone have offered us a day of Laser Quest and use of their arcades and pizza for lunch. We will have sole occupancy of the venue. We will arrive in Leicester by coach and be collected by coach to be taken back to school at the end of the day.

Alton Towers -£42

This year we are venturing to Alton Towers, a great family theme park experience for students to enjoy. We will be travelling to and from the venue via coach which will leave and return from the school site.

To confirm a place on the trip, payment will need to be made through Beehive. We are expecting this to be available over the weekend. There will also be a closing date for decision making so that we can ensure logistics of the day can be prepared. Once each trip is full, students will no longer be able to pay for the trip and will have to choose an alternative trip.

If your child is entitled Pupil Premium funding, the cost of each of the trips will be subsidised and this will be shown directly on your Beehive account.

Associate Principal Della Bartram

It is worth noting that school will be open as usual for the students who do not wish to attend any of the trips.

Our expectation as always is that the young people will work hard and behave well during their last half term, and we very much want all students in the year groups to enjoy their chosen trip. Reservation of a place on this trip is dependent upon the continued good behaviour and attendance of your child. The school reserves the right to refuse a place or withdraw a student if they are not following the school behavioural code; the final decision rests with Mrs Bartram.

Buses for the trips will leave Humphrey Perkins School between 8.30am-9:30am dependant on the trip your child chooses to attend and will drop off at Humphrey Perkins School between 4.30pm and 6.00pm also dependant on the trip choice.

Unfortunately, we will be unable to give refunds after the tickets have been purchased and the buses have been booked.

Research and appropriate measures have been taken to ensure that all realistic safety precautions are in place for all trips and visits. Parents or the school reserve the right to withdraw children from a trip or visit. Where payments have been made, we cannot guarantee refunds will be given.

If you have any questions, please do not hesitate to contact me directly on terri.black@humphreyperkins.org.uk or contact the school office or your child's Head of Year.

Yours sincerely

Mrs T Black
End of Year Trips Co-ordinator
